**ELECTRICAL SERVICE ORDER FORM**

**Dear Exhibitor:**

Please indicate the electrical service required for this event and note the following specifications.

1. All electrical distribution is controlled by the contractor.  
However, Clark Services assumes no liability for any failure of electrical source.
2. Charges cover only the bringing of service to the rear of booth.
3. Special wiring for islands and multiple booths are on time and material basis.
4. Diagrams for specific location should be attached & estimated labor/material charges included.
5. Exhibitor connectors, strips or taps must comply with National Electric Code and be UL approved.
6. Advance rates apply only to orders received and paid prior to show. Credit card users can fax or email order.
7. All payments are due at the show. Purchase orders are not considered payment.

**Ordering Instructions:**

- Determine what equipment needs electrical power.
- Look on the back of all equipment to determine the watts (or amps) and volts required.
- In the chart below select watts (or amps) needed in each voltage category.
- If you simply can't figure it out, please describe what you are bringing and list any information available.
